

Says Free Has to Give Some Sovereignty

STANFORD, Calif. (AP)—Sen. J. William Fulbright, D - Ark., said today that if the free world is to meet the challenge of Communism North Atlantic nations must give up some of their sovereignty.

Fulbright, chairman of the Senate Foreign Relations Committee, spoke by pre-recorded sound film to a Stanford University audience.

Fulbright said that only a "concert of free nations transcending the limits of national frontiers and national perspectives" can successfully combat the spread of Communism.

"The North Atlantic nations, with their common values as well as common enemies, must surrender far more of their jealously guarded sovereignty than they have already done and press forward with the development of supranational institutions," he said.

"In practice this will mean the further development of NATO as an organ of political and economic cooperation, the vigorous implementation of the recently formed Organization for Economic Cooperation and Development, and the expansion of existing organs of European unification with Great Britain, Canada, and the United States moving toward full participation."

He said his represents "a radically new objective, within the context of unchanging democratic values, made necessary by the events and circumstances of our time."

He stressed "that while our basic values may remain essentially unchanged from those which guided the founders of the republic two centuries ago, the strategy for defending those values must change with time and circumstance."

Fulbright said there is need for presidential leadership toward "active understanding of national objectives and to a willingness to take the action necessary for their realization."

He said President Kennedy is faced with a far more difficult task than his predecessors.

Negro On Civil Rights Commission

WASHINGTON (AP)—Despite spirited Southern opposition, the Senate has approved appointment of a Negro integrationist to the Commission on Civil Rights.

The Negro, Spottswood W. Robinson III, won confirmation in the Senate Thursday on a 73-17 roll call vote. Robinson is dean of the Howard University Law School here. He has represented the National Association for the Advancement of Colored People in civil rights litigation.

Sen. Spessard L. Holland, D-Miss., said that appointing Robinson "is like taking a man out of the counsel's box and putting him in the judge's seat."

The Senate also confirmed, by voice vote, two other nominations by President Kennedy—Irwin N. Griswold, dean of the Harvard Law School, as a commission member, and Berl I. Bernhard as staff director.

The commission investigates reports of civil rights violations. It has no police or judicial powers, but makes periodic reports to the President and Congress.

Besides opposing Robinson's nomination, several Southerners demanded that the commission which meets only on call, be abolished.

The commission, created in 1957, will die Nov. 8 unless its life is extended. Legislation to keep it going has been introduced but is tied up in a Senate Judiciary subcommittee headed by Sen. Sam J. Ervin Jr., D-N.C.

Gunman Holds Up Supermarket

LITTLE ROCK (AP)—A hold-upman held up a suburban supermarket Thursday night, then fled on foot and fired at an employee who gave chase.

Larry Sturdivant, assistant manager of the store, estimated the man got between \$300 and \$500. His single pistol shot outside the store injured no one, police said.

City, county and state police combed the western section of the city around the Broadmore shopping center, where the robbery occurred at Piggly Wiggly store.

Mrs. Donna Crocker, 24, a checker, said the man, dressed in grayish-green coveralls and a cap, walked up to her counter, brandished a pistol, and told her to fill up a bag.

She said he was about 30, and of dark complexion. She gave him the money and he fled, but Ken Ellington, 18, a stock clerk, pursued. The man ran around the store and fired once at Ellington, then disappeared.

Hope Junior Auxiliary Projects

Miss Jan Reinhardt gave an outstanding report of the 1961 Arkansas Girls' State she attended to her sponsoring organization, the Hope Junior Auxiliary, at its monthly meeting in the Community Room of the First National Bank, Wednesday, July 26. Election day and the speeches of foreign exchange students and Arkansas State Commissioners were the highlights of Miss Reinhardt's talk. She was introduced by the chapter by Mrs. James Branch.

Mrs. George Wright, president, reported a check from the United Fund which will be used by the Welfare Committee.

Giving free bridge lessons at the Youth Center will be a summer project in charge of Mrs. R. L. Broach and Mrs. Kelly Bryant. Teenagers are urged to join their friends and take advantage of this opportunity to obtain a basic education in a game that can be enjoyed for a lifetime. Lessons are taught at 2 p. m. each Friday.

Mrs. George Robinson gave the chapter a report of the free swimming lessons offered to girls of this area. The auxiliary provided season passes and transportation to the Municipal Pool for seven girls who participated in the three week swimming class. Assisting Mrs. Robinson were Mrs. Jud Martindale, Mrs. James Branch and Mrs. John Randolph.

The auxiliary agreed to join the Sidewalk Bazaar with articles from the Thrift Shop. Mrs. Fred Ellis, chairman of this project, made a plea for more clothes for the shop. Especially needed are men's shoes, jewelry, children's clothes and large-sized dresses. In the future, if the Thrift Shop is not open, Mrs. Seaman will accept and save articles in her office at the Saenger until it is open. Plans are underway to include children from two more elementary schools of this community in the "Needy Children Clothing Project" in the coming year. To accomplish this objective, the auxiliary asks for cooperation of the generous Hope citizens who share with them the articles of houseware and clothing they no longer use.

HD Council in Safety Program

Hempstead County Home Demonstration Council of Hope has submitted its project for consideration in the 1961 Carol Lane Awards for Traffic Safety, according to Mrs. Ernest Graham of Hope.

The Carol Lane awards is a national program honoring the contribution of individual women and women's clubs to traffic safety in the community or state. It is administered by the National Safety Council through a grant of Shell Oil Co., and is named for Shell's women's travel director.

Judging for the Carol Lane awards will be completed August 19. Prominent women leaders in traffic safety and other community work will serve as judges.

Winners of the 1961 Carol Lane awards will be announced during National Safety Congress in Chicago, October 17-21. The top winners will be guests of Shell Oil there during the congress and will be presented with their awards at a luncheon given in their honor.

THAT'S THE NUMBER — THAT'S THE number, 79, home runs these two Yankee sluggers share between them for the 1961 season. The gentleman on the left is Mickey Mantle who walloped his 39th home of the year during the Yankee-Chicago White Sox game in New York. Roger Maris, right, has sailed away 40 four-baggers. Says Care for the Aged Unnecessary

WASHINGTON (AP)—Dr. J. J. Monfort of Batesville, Ark., speaking for the Arkansas Medical Society, told the House Ways and Means Committee Thursday the AMA opposes the Kennedy medical care for the aged program because it is unnecessary.

But he said his organization favors continuation of the present Kerr-Mills act which sets up a federal-state program of providing medical care for older persons.

Monfort, immediate past president of the AMA, said Arkansas has appropriated funds to make the present act effective.

"The plan for implementation of the Kerr-Mills legislation in Arkansas will cover, for medical purposes, 70,000 people in addition to those already covered by other government programs," he said.

And, he said, the administration proposal will not provide for 30,000 to 35,000 indigent citizens who are currently covered under the Kerr-Mills legislation.

Bulletin

PARIS (AP)—France today served notice that she will not be bound by any United Nations Security Council action in the Bizerte crisis.

A government communique was issued a few hours before the U.N. Security Council was to take up a renewed Tunisian complaint accusing France of aggression in dispute over the naval base.

Judges to Pick a World Beauty

LONG BEACH, Calif. (AP)—Judges at the International Beauty Judges at the International Beauty Congress, dazzled all week by lovely faces and shapely figures, face their toughest task tonight—picking the winner.

Besides the honor, the girl chosen as Miss International Beauty receives a \$10,000 cash prize.

For many of the 52 contestants, the final night of the annual beauty pageant will be an anticlimax. Thirty-seven of the girls, eliminated in Thursday night's semifinals, will view the proceedings from the sidelines.

The 15 semifinalists, still very much in the running, are: Miss Brazil, Vera Marie Braun; Miss Canada, Edna MacVicar; Miss Ceylon, Kamala Alhaudra; Miss China, Dolly Ma; Miss Finland, Maria Ryoma; Miss Germany, Renate Muller; Miss Holland, Stanny van Baer; Miss Iceland, Sigur Ragnarsdottir; Miss Ireland, Irene Ruth Kane; Miss Israel, Dalia Lion; Miss Malaysia, Helen Tan Hong Lean; Miss Norway, Aase-Marie Schmedding; Miss Panama, Angela Alove; Miss Spain, Carmen Cervera; and Miss Paraguay, Gladys Fernandez.

Ukraine's entrant, Monica Moor-Davie, 22, was voted the title of Miss Friendship.

Two in Plane Crash Escape

MAGNOLIA, Ark. (AP)—A light plane crashed seconds after takeoff here Thursday night, slightly injuring the pilot and two passengers.

Heard for observation at a hospital was the pilot, Bill Rogers, 26, of Magnolia. Don McWilliams, 27, and Chot Perce, 26, both of Magnolia, received only scratches and cuts.

Police said the plane took off from the city airport, then banked sharply to the left and crashed in woods. The three men got out before the plane burned.

Guest Speaker at Shover Springs

Sunday, in the absence of the pastor, the Rev. Edward Evans, the Rev. G. W. Hooten of Hope will be guest speaker at the Shover Springs Baptist Church. He will speak at both services.

August Draft Quota Raised

LITTLE ROCK (AP)—Arkansas' draft quota for August has been raised from 34 to 140 men because of the current emergency.

Col. Fred M. Croom, state Selective Service Director, said 220 men would be ordered for induction to make sure the quota is met.

Croom said the quota would be filled with non-fathers over 22 and volunteers. He said he expected to continue meeting quotas with such restraints for several more months.

The colonel said state Selective Service headquarters and local draft boards have been deluged with calls for the past several days from registrants wanting the latest information on their draft status.

Endorses State Withholding Tax

LITTLE ROCK (AP)—Pulaski County Rep. Jim Brandon called for speeding the bulk of surplus state funds for emergency construction at the State Hospital, State Hospital.

Brandon told a Little Rock women's club that surplus funds amount to about \$20 million. The surplus has been variously estimated from \$11.3 million to \$20 million.

Brandon endorsed proposals to create a construction fund by collecting interest on state bank deposits and by installing a withholding income tax system to increase collections without raising the tax. He said he was convinced Arkansas do not want a tax increase.

Arkansas Cancer Quota Is Met

LITTLE ROCK (AP)—Arkansas is the first state to meet its quota in the 1961 cancer crusade. American Cancer Society officials said \$123,000 in contributions have been reported with several counties still to be heard from. The society said the state would be commended for being the first to meet its quota.

U. S. Has More Military Moves in Reserve

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The Kennedy administration was reported today to be holding in reserve a wide range of military and diplomatic actions which may be taken by the United States and its European allies as the Berlin crisis develops.

Secretary of State Dean Rusk will try in Paris next week to get firm agreements with allied foreign ministers on a succession of steps designed in part, at least, to give the Western powers some initiative in dealing with the Soviet Union on the Berlin problem.

The foreign ministers meeting involving the United States, Britain, France and West Germany begins Aug. 5. It may lead to a Western summit conference of President Kennedy, French President Charles de Gaulle and British Prime Minister Harold Macmillan.

Ultimately if East-West negotiations over Berlin produce any progress toward ending the crisis, diplomatic exchanges could lead to a summit conference with Soviet Premier Khrushchev. At the present, however, that is more a possibility in the background of official thinking than a serious long-range prospect.

Administration informants said Kennedy's Berlin action program laid before the nation Tuesday night was only a starter. They said that what Kennedy and Rusk contemplate is a series of steps which will be put into effect as the maneuvering between the Western powers and the Soviet Union over the future of Berlin takes its shape in coming months.

Possible future moves on the military side include sending reinforcements to NATO defenses in Europe and speeding up the mo-

U. S. Worker Conduct Code Is Set Up

WASHINGTON (AP)—The White House has issued a code of conduct for government employees from cabinet officers down. It forbids them to use their jobs for private gain.

The code, ratified by the Civil Service Commission and released Wednesday follows up President Kennedy's April 27 message to Congress in which he asked for a streamlining of conflict of interest laws.

The code prohibits gifts, payments and loans to federal civilian employees where "a reasonable question of conflict with his public duties and responsibilities" is raised.

"This conflict, says the code, 'is of concern whether it is real or only apparent.'"

Under the code, a government worker may not engage in teaching, lecturing, writing or any other outside employment "which might reasonably result in a conflict of interest, or an apparent conflict of interest."

Also banned are gifts, favors, or gratuities, which could affect an employee's impartiality.

The code does not prohibit government workers from holding outside jobs—in fact, teaching, writing and lecturing are to be encouraged—as long as the work does not adversely affect government duties or reflect discredit on the government.

Rape Charges Filed Against Pair

NEWPORT, Ark. (AP)—Rape charges against two White County men in connection with an attack on a 21-year-old hitchhiker from New York will be filed in Independence Circuit Court at Batesville, Prosecutor Norman Harkey said today.

The men, James Sterling, 19, of Providence and Theron Harmon, 21, of Rosebud have been held in Jackson County Jail on an open charge while Harkey investigated the alleged attack July 12.

Sterling and Harmon originally were charged with rape in White County but charges were dropped there when it was tentatively determined the attack took place in another county.

Independence, White and Jackson counties join near Pleasant Plains. The rape victim led officers to this general area.

The woman told police she hitched a ride with the two men and they forced her to accompany them to the area. They later left her to walk to Bald Knob where she was found by a marshal in disheveled and incoherent condition.

Rusk Expects Cuban Answer by Saturday

WASHINGTON (AP)—Secretary of State Dean Rusk expects a reply from Cuba today or Saturday to the U.S. request for return of the Eastern Air Lines plane which was hijacked and flown to Havana with its passengers and crew last Monday.

All aboard the aircraft have been returned to the United States except the hijacker. He took refuge with the Castro government.

Rusk told a news conference Thursday that the request for return of the plane had been made to the government at Havana through the Swiss Embassy, Switzerland being the nation which has represented U.S. interests in Cuba since this country broke relations last January.

Rusk said he was aware of news dispatches from Cuba quoting Prime Minister Fidel Castro as saying that he would return the stolen aircraft only if the U.S. government "promises from now on to return every plane hijacked from Cuba."

To this Rusk replied that in the United States the executive branch of the government cannot interfere with judicial procedures when a Cuban plane has been attached by court order in a case involving a claim for payment by an American citizen of debts owed by Cuba.

What the State Department can do, however, is notify the court in which a case is pending of a claim made by Cuba that the aircraft in dispute comes under "sovereign immunity" because it is owned by the Cuban government. In such a case the court may rule that the airplane is not subject to sale for settlement of any debt.

Rusk said that 25 Cuban aircraft have been involved in such cases since 1959. He said that 10 of those were hijacked and seven others were seized by the authorities here under court order. Of the 25, he said, 14 have been returned to Cuba while some others have been sold under orders of the court.

PSC Gives Go Ahead Sign for Pay Television

LITTLE ROCK (AP)—The Arkansas Public Service Commission today approved a test of pay television in the Little Rock area. A formal order was to be issued later today.

All three PSC members confirmed that they had agreed to permit establishment of a pay television service by Midwest Video Corp. heater owners protested vigorously against the proposal.

The proposal reached the PSC when Southwestern Bell Telephone Co. asked the agency to determine whether it should supply lines for the test. During hearings, Bell agreed to furnish the lines subject to a proper guarantee from Midwest Video.

A preliminary copy of the order directed Midwest to guarantee financial security before Bell starts construction of the lines. The program is based on a 10-year plan.

Midwest, an affiliate of International Telemeter, plans to begin serving an area in Little Rock's newer western residential area.

Snag Ahead for Foreign Aid Finances

WASHINGTON (AP)—Republicans have laid plans for an attack on the way President Kennedy proposes to finance his long-term foreign aid program.

The Republicans plan to launch their attack on the Senate floor, where the program faces a close vote. They hope to turn it back, or at least to curtail it sharply.

"The program may face even rougher going in the House, where debate probably will start next week."

"The administration seeks authority to make up to the \$8.8 billion in loan commitments over a five-year period. Of this total, Kennedy wants to borrow \$7.3 billion from the Treasury without specific year-to-year congressional appropriations. The balance would come from repayment of past-war loans."

The House Foreign Affairs Committee gave the program the green light Thursday. The action, by undisclosed vote, was tentative, but formal approval is expected Tuesday.

"The committee also okayed \$4.355,500,000 in foreign grants and loans for the current fiscal year, \$407 million less than Kennedy had asked."

The Senate Foreign Relations Committee approved the lending program Monday after trimming Kennedy's request for this year by \$346 million.

Senate Democratic Leader Mike Mansfield of Montana plans to call up the measure tonight, hoping to open debate Monday.

Senate Republican Leader Everett M. Dirksen of Illinois said Republicans will offer various amendments on the Senate floor to reject or curtail Kennedy's requested borrowing authority.

They will make proposals to: 1. Authorize the five-year development fund, but require congressional appropriations to finance it. 2. Authorize the Treasury borrowing procedure, but restrict the program to two or three years. 3. Reduce the over-all totals for the loan program.

Finds Rare Copy by Ben Franklin

BOSTON (AP) — The Boston Public Library reports it has found a rare book—a copy of Benjamin Franklin's "Experiments and Observations on Electricity" which Librarian Milton E. Lord said apparently was owned by the author.

Lord said the book has marginal notes which probably are in Franklin's handwriting.

The book, which turned up in the library's rare book section, was donated to the library in 1873.

Execute Reds

SEOUL (AP)—The South Korean military government today announced the execution of three Communist agents convicted in 1958 by President Syngman Rhee's government.

Kim Chung-je, a former police officer, and two others were hanged on July 11, the Justice Ministry said.

The three were sentenced to death for spying for the North Korean Communist regime, but the executions were delayed by appeals.

Arrest British

BAGHDAD, Iraq (AP)—Three British soldiers captured inside Iraq near the Kuwait border Sunday will be tried by an Iraqi court-martial, Baghdad Radio said today.

There was no indication what the charges would be.

The three Britons were on patrol in an armored car along the poorly marked frontier.

The soldiers told Iraqi newsmen they crossed the border by mistake.

Trusty May Face a Murder Charge

ENGLAND, Ark. (AP) — Jesse Ring, a 23-year-old trust guard at Tucker Prison Farm, may face a murder charge for the slaying of another trusty over a 70-cent debt, prison officials say.

Prison Supt. Lee Henslee said Ring told authorities he killed J. C. Johnson, 25, with a bullet from a 12-gauge shotgun Wednesday following an argument over the money which Ring said Johnson owed him.

The shooting took place in a small building on the farm where Ring and Johnson had gone to eat lunch, Henslee said. A guard witnessed the shooting.

Henslee said he had asked Prosecutor E. W. Brockman Jr. to file a murder charge against Ring, who began serving a three-year term last October for burglary and grand larceny in Independence County.

Johnson was served a six-year term for robbery from Garland County and entered the prison May 14, 1959.

Hope Juniors Capture the District Title

Last night at Camden the Hope Junior Legion took the district title by beating Gurdon 8 to 3. Hope was the only team of the tournament that was undefeated.

Hope started off in the first inning with two runs coming from Gary Barrow, who walked, and Earl Ray Murphy, who got on by a fielder's choice. In the fourth they picked up three more when Leroy Lemmerhirt got one by the third baseman, Barrow singled and Carl McMurtrey sent these two in with a triple. Murphy then sent in McMurtrey by a double.

Two more were scored in the sixth when David Moore singled in Lemmerhirt, who walked, and Barrow, who got one by short. One more came in in the eighth when McMurtrey walked and T-Bob Roberts hit one.

Leading in hits was Moore with two singles and a double. Barrow had two singles, McMurtrey a triple, Murphy and Ford Ward had a double, and Roberts a single.

Leroy Lemmerhirt was the winning hurler for Hope. He struck out 10 and gave up only 5 hits. The team ended its season with a record of 21 wins and 1 defeat.

Art Wall Is Leading the PGA Meet

By DON WEISS
Associated Press Sports Writer

CHICAGO (AP) — Lanky Art Wall, so used to trouble and playing so well he can't be bothered by conditions irking most of the other pros, take a one-stroke lead and a bundle of regained confidence into the second round of the PGA golf championship today.

The why this veteran of aches and pains manhandled the par 35-35 — 70, 6,722-yard Olympia Field Country Club course with his brilliant 3-under-par 33-34-67 on Thursday, the Palmers, Players and the rest may be looking up to him the rest of the way.

While many of the huge field of 166 grumbled over the "flying grass" of the north course fairways they claim nullifies any consistent control of approach shots, Wall calmly set about keeping himself trim to the rest of the weekend rumble that is scheduled to end Sunday.

The 6-foot-1, 175-pound pro from Pocono Manor, Pa., has played only in bits and dashes while he recovered from—in order, a twisted right knee, a kidney ailment, a torn rib cartilage, and a damaged groin muscle.

Wall, who laughed agreement when someone suggested his 67 was probably his best played round since his stizzling last day 66 won the 1959 Masters, finished late in the day and wrestled the first-round lead from defending champion Jay Hebert of Lafayette, La., and chunky Ernie Vossler of Oklahoma City. They had 68's.

Little Jerry Barber and former champion Doug Ford were at 69 with Bill Heinlein, 50, club pro from Carmel, Ind., playing in his 18th PGA. Among the others still far from out of it were such as Doug Sanders and Bob Rosburg in a group at 70, national open champion Gene Littler in a group of 10 at 71, Player, three-time champion Sam Snead, Ken Venturi, Mike Souchak and Tommy Bolt in a huge contingent at 72, and a grim, disappointed Arnie Palmer in another bunch at 73.

East Germans Go on Trial

BERLIN (AP) — Five East Germans went on trial today in Red-ruled East Berlin charged with espionage and luring refugees into West Berlin.

The East Germans blame the mounting flow of refugees into West Berlin on Western agents who they claim entice persons into fleeing. Western officials deny the accusation.

The official East German news agency ADN said that besides delivering secrets to the West, the five defendants collected information about prominent East Germans which they delivered to West German and U.S. agents.

The agents then used the information to threaten, blackmail and trick the East Germans into leaving, ADN said.

The individuals involved, it said, were scientists, technicians and other leading personalities from government, social and economic circles of East Germany.

Explosion Destroys a Night Club

EDISON TOWNSHIP, N.J. (AP) — An explosion and fire destroyed actor-comedian Keefe Brasselle's Hollywood Club on Route 1 early today. Authorities termed the blast of suspicious origin.

The club, which featured live entertainment, was closed for the night and there were no patrons inside.

The club is owned by a corporation and police did not know how large an interest Brasselle had in it.

Critically burned in the fire was Joseph Famularo, 43, of Brooklyn, N.Y. He was taken to a hospital with first- and second-degree burns on 30 per cent of his body.

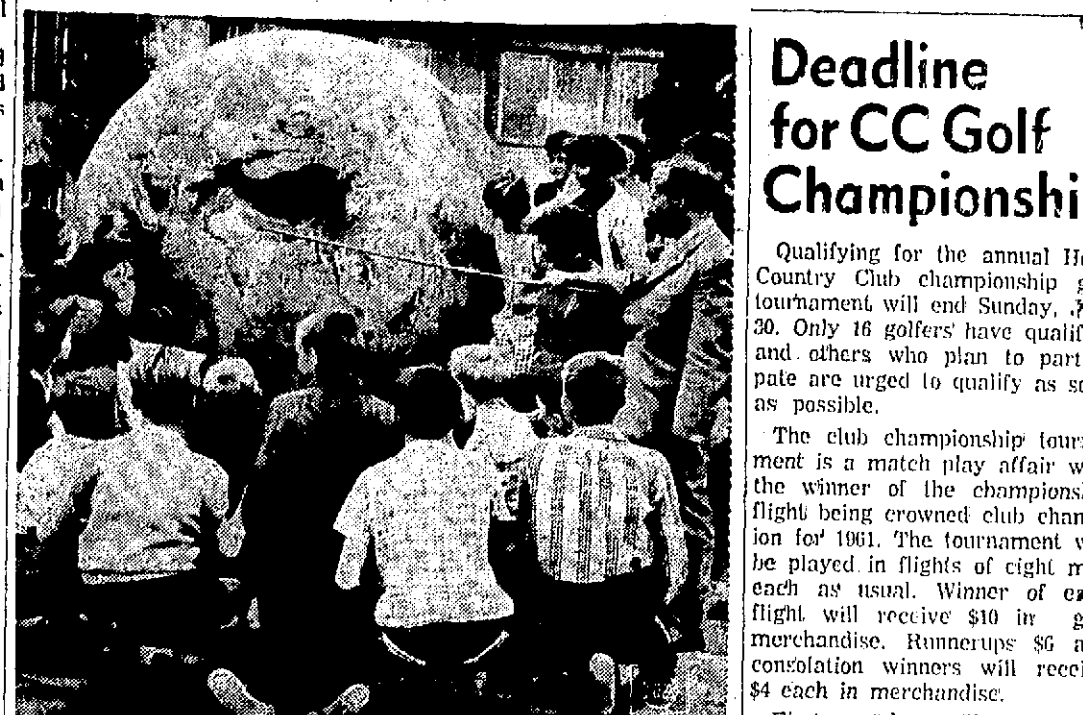

"How are Jim and Joe?" Famularo asked hospital attendant, which led police to believe that two men may have been trapped or injured in the fire.

Police at Keyport, notified Edison Township officials that a man with first- second- and third-degree burns on 90 per cent of his body was picked up in Keansburg and taken to a hospital in Red Bank in critical condition.

BOMBER INTO TRANSPORT—Scale model of a supersonic transport gives a peek at what may be coming up in the air travel field in the next few years. The aircraft, proposed by General Dynamics engineers, would use the delta wing design of the twice-the-speed-of-sound B-58 Hustler bomber, but would have a larger and longer fuselage for passengers. The plane would not be a commercial transport but a pioneer test vehicle for the supersonic airliner to come.

Pinson Steals Home, Beats the Dodgers

By JACK HAND
Associated Press Sports Writer

Cincinnati jolted a game loose from Milwaukee Thursday and remained one game in front of the slugging Los Angeles Dodgers in the National League race.

Vada Pinson, breaking from third with the bases loaded in the ninth, knocked the ball out of catcher Sammy White's glove for a 2-1 victory.

The Dodgers cut loose with 14 hits in Philadelphia to smother the last place Phils 11-6.

San Francisco's Juan Marichal blanked Pittsburgh on five hits 2-0, the 10th shutout for the defending National League champions. Chicago knocked off St. Louis again 3-2, using the same combination that won the day before, pinch hitter Bob Will and relief pitcher Larned Schultz.

In the American League, the New York Yankees strengthened their lead over the Detroit Tigers by stopping a ninth-inning Chicago rally for a 4-3 victory. Baltimore scored six in the seventh and beat Boston 4-5. Minnesota trimmed Washington 5-2 on Don Lee's four-hitter and Kansas City shamed Cleveland 2-1 on Bobby Del Greco's homer.

The season series between the Reds and Braves now stands 14-7 in favor of Cincinnati with only one game to go. That will be played Sept. 13 at Cincinnati where the Reds and Braves are 5-5 for the year.

The speedy Pinson was the difference in Thursday's game. Bob Purkey claimed victory No. 13 with a five-hit complete game.

The Dodgers had a real bit carnival at Philadelphia although Manager Walter Alston had to use four pitchers to bail himself out. Roger Craig, third on the line, was the winner. The veteran Gil Hodges came through with a three-run homer in the fifth which put the Dodgers out front to stay. Four more in the eighth rapped it up.

Marichal struck out eight batters and walked only three in squaring his season record at 7-7. Var Bend Mizell, losing his seventh straight, gave up both Giant runs.
